TRAVEL TIPS

Keeping Tuolumne Safe & Sustainable

We're always glad to have you and are committed to keeping our guests and residents healthy and safe, and to protecting the natural environment we all love. We've developed a **Healthy Pledge** to do all we can to help you adventure safely and responsibly.

Responsible travel involves preserving our natural environment, making sure to leave no trace by staying on the trails and packing out your trash. It involves understanding the causes for wildfires, such as loose chains making sparks along the road, and only lighting fires in approved areas and extinguishing them properly. It also involves being respectful of the region and others staying or living in the area.

As part of our commitment to sustainable travel, we ask all visitors to do the following:

Stay home if you are sick

Stay on trails

Pack out what you pack in

Be wildfire safe

Be respectful

Dream, Do, Be in Tuolumne County

PINECREST

Yosemite

There's much to see and even more to do in Yosemite. Take your team on a hike to the majestic Yosemite Falls, Hetch Hetchy Reservoir, Half Dome, even El Capitan, or enjoy a short, peaceful stroll among the Tuolumne Grove of Giant Sequoias. In Groveland your group can enjoy a round of golf, a horseback ride or a biking adventure along the trails. A raft ride down the scenic Tuolumne River is perfect for groups as well, followed by a cold drink at California's longest continuously operating saloon. At the end of a full day, your team can indulge at one of the several outstanding restaurants in town.

CALIFORNIA *Gold Country*

Jamestown offers a glimpse of old time Hollywood everyone will enjoy. Be sure to take in their Walk of Fame to learn about the many movies and TV shows filmed in Tuolumne County. Everyone can catch a ride on the steam train at the Railtown 1897 State Historic Park that's been featured in more than 300 movies and TV shows as well. There's also several one-of-a-kind shops for everyone to explore in Gold Country, as well as wine tasting, museums and a 19th century old-west opera house to enjoy. At Columbia State Historic Park, your team can catch a ride on a stagecoach, go gold panning and lots more.

High Sierra

Gear up your group for a great day in the High Sierra. The Summit Ranger Station is a great place to start for information on hiking trails, fishing spots and more. Your team will want to head to Pinecrest Lake for swimming, fishing (ADA fishing dock available), boating, hiking, horseback riding, paddle boarding and even paddle board yoga on some mornings. Kennedy Meadows is a great spot for fly fishing, while Clark Fork Meadow is wonderful for a relaxing picnic, hiking, camping and fishing as well.
